wherein M represents T or C.

#### REMARKS

With this preliminary amendment, the specification and the claims have been amended to correct the deletion of one base pair in the translation of the original Japanese application. The above inserted sequence is disclosed in the original application at line 3, page 10, and therefore this amendment does not add any new matter.

If there should be any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
